## PERSONAL ESSAY

**This essay is designed to help us know you better as an individual and as a potential member of the 2008 ACC team. With this in mind, choose a topic(s) from the list below and compose either a) one essay of 700-800 words or b) two essays of 300-400 words each. Please type and send as an attached document.**

- How would you reconcile the two conflicting goals of preservation and accessibility/recreation in our parks?
- Keeping in mind that everything in an ecosystem is connected, what are some of the issues that need to be considered when introducing a new species of plant or animal into a region?
- Reinvent your community (e.g., high school, town, college). What would you change? What would life be like and how might society be different?
- Discuss a previous work experience. What did you like most about it? What was difficult?

**Please answer the following questions in no more than five sentences each. Attach an additional sheet if needed.**

- Why are you interested in working as a member of the American Conservation Corps?
- What is your most memorable outdoor experience and why?
- What are your interests or hobbies? What do you like to do in your free time?
- What are your aspirations for the future? What do you want and where would you like to be?
- Please include any career ambitions and goals.
- What skills or qualities do you possess that would contribute to the 2010 ACC team?
